COMMENTS:

This bill would require the Trade and Commerce Agency (TCA) to expand the Los Angeles Eastside Enterprise Zone. Taxpayers within the expanded area would be eligible for the tax benefits currently allowed to all taxpayers within existing enterprise zones.

The April 24, 2000, amendment added language providing it is the Legislature's intent to authorize the officials of the Los Angeles Eastside Enterprise Zone to expand its geographical area by 20%. In addition, the bill deleted a detailed description of the area targeted for the proposed extension.

The department's analysis of AB 1959, as amended March 27, 2000, still applies.
